You must make your own arrangements for payment for veterinary and farrier services not performed by the Valhalla Equestrian Farrier or services performed by the VE Vet

21. You understand and agree that: Horseback riding is classified as rugged adventure recreational sport activity, and that there are numerous obvious and non-obvious inherent risks always present in such activity despite all safety precautions. No Horse is a completely safe horse. Horses are 5 to 15 times larger, 20 to 40 times more powerful, and 3 to 4 times faster than a human. If a rider falls from horse to ground it will generally be at a distance of from 3 1/2 to 5 1/2 feet, and the impact may result in injury to the rider. Horseback riding or horse driving is the only sport where one much smaller, weaker predator animal, the human, tries to control and become one unit of movement with another much larger, stronger prey animal, the horse, with each having a limited understanding of the other. If a horse is frightened or provoked it may divert from its training and act according to its natural survival instincts which may include, but are not limited to: stopping short; changing direction or speed at will; shifting its weight from side to side; bucking; rearing; biting; kicking or running from danger.

22. I agree that: Should emergency medical treatment be required, I and/or my own accident/medical insurance company shall pay for all such incurred expenses. My accident/medical insurance company is _____ and my policy number is _____.

23. I/We, for myself and on behalf of my child and/or legal ward do understand that the wearing of such headgear while mounting, riding, dismounting, and otherwise being around horses, may prevent, or reduce severity of some head injuries, and even prevent death happening as the result of a fall or other occurrence.

23. The term of this agreement is from month to month.. **Written notice must be given one month in advance to terminate this agreement. No refunds will be made for payments for Basic Services which you do not use any month for any reason including, without limitation, for any**

month in which you remove your horse from the Valhalla Equestrian facility either permanently or temporarily. No long term contract is required.

24. You agree to obey all barn rules form time to time posted at the Valhalla Equestrian facility and agree to pay all fines established for the breach of such rules by you.

25. You agree that no outside trainer or coach may train you at the Valhalla Equestrian facility.

26. You understand that Valhalla Equestrian carries no insurance that would cover the loss or injury of your horse. VE strongly suggests that you carry horse mortality and surgical insurance. You agree that if you do not have insurance coverage on your horse, that you are self-insured and assume full responsibility for any loss incurred.

27. LIABILITY RELEASE In consideration of this stable allowing my participation in this activity, under the terms set forth herein, I, the rider, and the parent or legal guardian thereof if a minor, do agree to hold harmless and release Valhalla Equestrian, its owner, agents, employee, officers, members, premises owners, insurers, and affiliated organizations from legal liability due to Valhalla Equestrian's ordinary negligence; and I do further agree that except in the event of Valhalla Equestrian's gross and willful negligence, I shall bring no claims, demands, actions and causes of action, and/or litigation, against Valhalla and ITS ASSOCIATES as stated above in this clause, for any economic and non-economic losses due to bodily injury, death, property damage, sustained by me and/or my minor child or legal ward in relation to the premises and operations of Valhalla Equestrian, to include while riding, handling, or otherwise being near horses owned by or in the care, custody and control of Valhalla Equestrian.

WARNING: UNDER TEXAS LAW (CHAPTER 87, CIVIL PRACTICES AND REMEDIES CODE), AN EQUINE PROFESSIONAL IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT IN EQUINE ACTIVITIES RESULTING FROM THE INHERENT RISKS OF EQUINE ACTIVITIES.
